Administrative Board Turns  
Down Ainslie's Request  
for Repairs.

Building Inspector Butler presented to the Administrative Board yesterday the request of Mayor Ainslie for overhauling, re-covering and re-upholstering the furniture of the Mayor's office, cleaning the carpets and making other improvements, costing in all \$285.30. The papers were received and filed, the board giving as its reason "lack of funds" and stating that it might consider the matter later in the year. The City Hall maintenance fund provided in the budget, not counting pay roll, was \$26,590.

An allowance of \$5,239.33 was made to J. Smith & Co. on account of bridge construction, on report of the City Engineer.

In response to a resolution of the Administrative Board directing him to report grades for an alley north of Monument Avenue, through the Shepard tract to the Rosemeath Road, City Engineer Bolling reported yesterday that no streets or alleys in the Shepard tract had been dedicated. A copy of the letter was ordered sent to Dr. R. A. Sheppard.

A petition was received from the Young Women's Christian Association for extension of a sewer through an alley east of Fourth Street to the rear of its new building fronting on Fifth Street. The petition was referred to the City Engineer for an estimate.

The Superintendent of Street Cleaning recommended rejection of the claim of C. W. Andrews for pay for time lost on account of sickness. The claim was rejected, and a copy of the superintendent's report ordered sent to Mr. Andrews. The claim of J. D. Wilson of \$14 for injuries from stepping into a water meter box in front of 205 East Broad Street was recommended to the Council for payment.

The report of J. C. Weinbrunn to be allowed to sublet certain paving contracts awarded to him by the City Engineer was referred to the City Engineer.

## WANT MEMORIAL OF FIRST REGIMENT

May Be Put in New Armory.  
Corner-Stone to Be Laid at  
Early Date.

Since no monument exists of the First Virginia Regiment, it was suggested last night by Major Charles O. Saville at a meeting of the First Regiment Association that some memorial should be placed in the new armory of the Richmond Grays, which is being erected at Seventh and Marshall Streets.

The idea met with immediate favor, and took definite form in the appointment of a committee, composed of President Charles A. Crawford, Major Saville and Major Lawrence T. Price, to take the matter up and give it consideration. It was suggested by Captain D. A. Brown, Jr., that in the association room the walls could be hung with tablets giving the names of every member of each company in the First Regiment during the War Between the States. This is the case in the Pennsylvania memorial at Gettysburg. Major L. T. Christian also spoke favorably of the plan.

Consideration was given to plans for the ceremonies incident to the laying of the corner-stone of the armory. The date was left open until consultation with the Masons. It was determined that Temple Lodge, No. 9, shall be in charge.

Captain Brown laid before the association the proposal to ask the City Council for an appropriation to pay the railroad fare of Confederate veterans to the Gettysburg reunion in July. Of the 125 veterans who were alive in Richmond yesterday, he estimated that 250 would be unable to pay their own way. The Council is to be asked to give \$2,000, or so much thereof as may be necessary, for this cause.

For the next year the road levy in the county will remain the same, as the board refused yesterday to alter it in any way. The amount is adequate to cover proposed improvements, and is satisfactory to the large majority of taxpayers.

All persons eligible for membership in the Sons of Confederate Veterans are urged to attend a public meeting to-night in Powhatan School, when plans for the organization of a camp for South Richmond and Chesterfield Counties will be discussed. Among those who will give short talks are Judge Ernest H. Wells and Edwin P. Cox. Music will be rendered by the school chorus.

The committee in charge of the formation of the proposed body was appointed by Woodbridge Camp, Confederate Veterans, and Chesterfield Chapter, Daughters of the Confederacy. It consists of E. P. Cox, W. C. Phillips, Hamilton Hobson, Mrs. E. Howlett, Truman, Misses Alice Bohmer, Rudd, Imogene Gregory, and Miss Norfleet. Any male descendant of a veteran is eligible for membership.

The executive committee of the South Richmond Cooperative Educational Association has been called to meet to-night, when the report of the committee, which has been investigating school conditions in other sections of the city, will make its report. The meeting will be held in Powhatan School. The special committee recently visited several schools, and decided that the Southside was entitled to better facilities. ## NEWS OF SOUTH RICHMOND

### WILL REPAIR ROAD

**Supervisors Will Have State Road Force Working on Semmes Avenue.**  
Semmes Avenue, the main thoroughfare in Woodland Heights and Forest Hill, will be put into thorough repair as soon as possible, according to the decision of the Chesterfield Board of Supervisors in session yesterday morning at Chesterfield Courthouse. Convicts from the State Highway Commission's force will start work on or before June 1. The exact date will be determined by the length of time taken up in imperative work that is now being done.

The board as a whole favored putting the road into proper shape for the coming summer. The Virginia Railway and Power Company, which has a double track on the road, will be requested to put a force of men at work on its share of the roadway when the convicts begin.

### WANTS POLICE CHIEF

**Commonwealth's Attorney Asks Supervisors to Improve Force.**  
Practically the entire session of the supervisors yesterday was taken up with routine matters, and several important questions were postponed until the next meeting. Among these is the appointment of a chief of police for Chesterfield County. Commonwealth's Attorney Haskins Hobson is in favor of putting a responsible man at the head of the county force, and also desires to see the pay of the members raised.

The county police are now widely scattered in fact, no one to direct their actions, and as a result very seldom co-operate to the advantage of the county at large. With a responsible head it is thought that much better results could be had.

For the next year the road levy in the county will remain the same, as the board refused yesterday to alter it in any way. The amount is adequate to cover proposed improvements, and is satisfactory to the large majority of taxpayers.

large tract which was sold by a passing concern to Italian capitalists of New York. It is subdivided into small farms of five acres each, and a number of Italian farmers of the better class are being imported to develop the scheme. The community has been named "Triboli." A large part of the farms will be laid off into vineyards.

**Elks' Anniversary.**  
Petersburg Lodge of Elks has issued invitations to all Elks to attend a reception to be given in honor of the twenty-first anniversary of the institution of the lodge on Thursday evening, May 5, at the Elks' home. The reception will be from 8 to 11 o'clock, and dancing will follow from 11 to 1 o'clock.

On the evening of May 9 the Elks will give a stag reception at the home in further celebration of the anniversary. Both occasions will be events of interest. Petersburg Lodge has recently made important improvements to its home, enlarging and beautifying it. It is now one of the handsomest homes of the order in the South.

**Five Hundred Converts.**  
The two series of revivals—the one closed and the other still in progress—have resulted in nearly 500 conversions. The religious and social relations of the community. The series of meetings conducted by Evangelist Walt Whitman at the Washington Street Methodist Church and Second Baptist Church, resulted, it is said, in fully 250 conversions and recommitments. The meetings held in the Market Street Methodist Church by Evangelist Bridges during the past ten days, and which will be brought to a close on Wednesday night, have resulted so far in about 225 conversions, and this number will doubtless be largely increased before the close of the series. There have been crowded meetings of men, of women and of children, besides the regular congregational meetings at which standing room was at a premium.

**Heavily Transfers Recorded.**  
Washington Terrace Corporation yesterday placed on record deeds of bargain and sale, and have produced a wonderful spiritual change in the community. The series of meetings conducted by Evangelist Walt Whitman at the Washington Street Methodist Church and Second Baptist Church, resulted, it is said, in fully 250 conversions and recommitments. The meetings held in the Market Street Methodist Church by Evangelist Bridges during the past ten days, and which will be brought to a close on Wednesday night, have resulted so far in about 225 conversions, and this number will doubtless be largely increased before the close of the series. **New Presbyterian Church.**  
Under the action and by authority of East Hanover Presbyterian at its recent session in Richmond, a new Presbyterian Church is to be organized in this city. A committee on the subject, consisting of three ministers and two ruling elders, was appointed by the presbytery. The ceremonies will take place on the afternoon of Sunday, May 11, at Westminster Chapel, West Washington Street, which will be the site of the new church.

The ceremony was performed in St. Paul's Catholic Church, by the Rev. Father Mallory, and the couple was accompanied by a large party of friends. The bride is well known, and has many warm friends in Petersburg.

**Pirm to Dissolve.**  
The well known and long established firm of Rodgers, McCabe & Company, cotton dealers, of Petersburg, Norfolk and Charleston, S. C., has notified its customers that the firm will be dissolved on September 1 next. It is understood that John Rodgers, of the firm, with William H. Hill, of Tarboro, N. C., and William Hart, will form a copartnership with headquarters in Norfolk, to be known as Rodgers & Company, and that W. Gordon McCabe, Jr., of this city, will unite in partnership with W. F. ## CAROLINA WHITE SOPRANO

Noted Soprano, to Sing for  
Wednesday Club, Espouses  
Votes for Women Cause.

Carolina White, who is to be one of the artists appearing in the concert of the Wednesday Club to be given next Monday and Tuesday nights, with a matinee Tuesday, is regarded as the most brilliant soprano of the Chicago Philharmonic Grand Opera Company. But aside from the fame she has won as a member of one of the foremost opera companies, Miss White has obtained prominence as a fighter in the cause of woman's suffrage.

Recently Mrs. O. H. P. Belmont, president of the Political Equality Association of New York, invited Miss White to deliver an address before that organization. Though more at home in the realm of grand opera than on the lecture stage, she responded to the call, and during the course of her talk told of the work which had been done among the operatic stars. Of all those spoken to or written to by Miss White, Mary Garden alone declined to enter the ranks. She answered that in her opinion the sphere of woman was in the home, and that she must take the question under advisement before giving any definite answer. Miss White, in answer to a cablegram sent by Miss White, said that she thought it a grand and noble cause, and would do all in her power to assist.

In discussing the part women of the opera stage were taking in the cause of woman's suffrage, Miss White said: "The advent of the highest paid professional women into the cause of political equality should be of considerable help in the campaigns now being waged. I am delighted by the enthusiasm shown by my sister singers, and am encouraged by the progress made thus far."

### WILL ERECT LODGE HALL

**Permit Issued for New Home of Italian Beneficial and Social Society.**  
Building and repair permits were issued yesterday as follows:

W. A. Sheppard, to erect a detached one-story brick garage in rear of 205 West Grace Street, to cost \$300.

W. R. Wilhelm, to erect a detached one-story frame store in rear of 428 North Thirty-third Street, to cost \$33,000.

Richmond and Social Society, to erect a three-story brick, steel and concrete store and lodge hall on the south side of Broad Street, between Allison and Meador Streets, to cost \$25,250.

E. L. Ford, to erect a two-story brick tenement, two dwellings, on the south side of Floyd Avenue, between Sycamore and Strawberry Streets, to cost \$9,000.

James J. Burke, to repair brick store,

which of the new firms will take over the Petersburg branch of the business. The firm of Rodgers, McCabe & Company has controlled an extensive trade in cotton and peanuts.

**Liquor Licenses Granted.**  
The Hustings' Court was exclusively engaged to-day in the consideration and granting of liquor licenses for the ensuing year, and will continue the same business to-morrow and next day. Some twenty licenses were granted, embracing retailers, retail and shipping and one distiller's license, and many more will probably be granted. The main bulk of the trade is segregated in the lower business section of the city.

**General News Notes.**  
The peanut market took a jump upward to-day. Farmers' Spanish being quoted at \$1.10 per bushel. Receipts are very light, and stock on hand small.

Mr. and Mrs. George Banta, of Brooklyn, N. Y., are visiting their cousin, Mrs. George L. Moody, on South Sycamore Street.

The impression prevails that the coming municipal primary is going to result in some sharp surprises. Politics is almost the sole topic of discussion in the city.
